TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: INTERNSHIP FOR DIPLOMA IN COMPUTER SCIENCE STUDENT

The School of Computing (SOC), INTI International College Penang offers DIPLOMA IN COMPUTER SCIENCE. In line with the requirement of the above mentioned program, each student is required to undertake a minimum of **12 weeks** of industrial training or internship.

2. This is to certify that **CHEAH WEI LIANG (060131-08-0165)** is a full time student of INTI International College Penang. The student is currently enrolled in the **INTI DIPLOMA IN COMPUTER SCIENCE.**

3. We have planned for the student to be available for internship placement **from 5 January 2026 till 31 March 2026.**

4. We appreciate it if your organization can offer the student an internship opportunity and confirm their placement **latest by 5 December 2025.**

5. The student is required to adhere to all terms and conditions offered by your company, as well as the rules and regulations of your company during the internship period.

Thank you very much and we are looking forward for more collaboration in the future.

Yours sincerely,

Janice Ko
